Expedited processing request:

I request a fee waiver as a member of the news media primarily engaged in disseminating information to the public. I expressly intend to disseminate the information to the public. The release of the correspondence is urgent because it concerns the Office of Pesticide Programs' interactions with the industry it is regulating, and who have a financial stake in the EPA's regulations.

Fee Waiver request:

I request a fee waiver as a member of the news media primarily engaged in disseminating information to the public. I expressly intend to disseminate the information to the public. The release of the correspondence would greatly benefit the public's understanding of the director of the Office of Pesticide Program interactions with lobbyists and corporations.
